

How to get to Buncom: Get on Hwy 238, in N. Medford or in Jacksonville. Follow it W & S until you come to Ruch, where you will turn left onto Upper Applegate Road. Then you turn left onto Little Applegate Road, and then turn left onto Sterling Creek Road and stop almost immediately, because Buncom is just above the intersection.

You can go home as you came, or take Sterling Creek Rd almost all the way back, to Cady Rd, which connects with 238 (left on Cady, right on 238). It is a slower but very attractive back-country drive.
